HandRIGHTing, Ink. is able to assist in improving and developing the skills of their clients to write better. Completion of the program does not guarantee permanent improvement. Our curriculum is an adjunct to the educational process offered in the school setting. The program is recognized by many educators, both locally and nationally.

Insurance may or may not reimburse you for the cost of these lessons. It is entirely dependent on the agreement you have with your healthcare provider.

I give permission to have my son or daughter photographed while participating in classes. Pictures will be used for marketing purposes to positively represent HandRIGHTing, Ink.
